## **Call for Proposals:** **Small Workshops in EnvHist**

To support environmental history activities in Europe, the ESEH Board has decided to open a call for proposals aiming at funding two small workshops or conferences.

**Grant:** The Board will award up to 500EUR to each of the two selected proposals.

**Eligibility Criteria:** Environmental history workshops and conferences of no more than 100 participants which will be held in any of the ESEH regions during 2023 and are organized by an ESEH member.

**How to Participate:** A proposal of up to 2 pages should include (1) the name, date, location and theme of the conference/workshop, (2) an overview of the program, (3) a projected number and type of attendees, (4) an overview of the total budget, other financial sources, and a description of how the 500EUR would benefit the activity, and (5) a short biographical paragraph about the organiser (who must be an ESEH member). Please explain how this activity will help to reinforce the ESEH and environmental history in the region.

The proposal in a single pdf file should be sent to [secretary@eseh.org](mailto:secretary@eseh.org) by 20 March 2023.
