

Ulrich Koppitz

Candidate for ESEH treasurer at OGM 2013, Munich

Short statement: Standing for re-election, the acting treasurer aims at securing the status of ESEH as a certified tax privileged scholarly society and, being well aware of structural inequalities in Europe, at a sustainable economy.

CV: B. 1965, student of history and geography since 1987, state exam 1992, since then PhD- student in the field of water management history, few publications in German so far. Working as executive and librarian in the Institute for the History of Medicine, Heinrich-Heine-University Dusseldorf since 1996. Founding member of the ESEH, treasurer and legal representative since 2003.
